

PETROLEUM

## NBR FRAC / BLENDER HOSE

### FEATURES & APPLICATIONS:

- Designed for rugged use in blender / fracturing service in the oil & gas industries.
- Suitable for the transfer of 98% water/sand mixtures, oil mixtures & crude oil
- Abrasion-resistant cover

### TECHNICAL DATA:

- **Temp Range:** -30° F to +180° F
- **Cover:** Black NBR / NITRILE
- **Tube:** Black NBR
- **Reinforcement:** High Tensile Textile Fabric
- **Safety Factor:** 4:1 min
- **Branding:**

### NOTES:

- Hose construction may vary. Hoses might be supplied with 1 or 2 wires. This does not affect working/burst pressure.

### BLACK NBR / NITRILE
